

Medical Officer – Medical Oncology

Conceptualized in the year 2004 as a philanthropic initiative for the Eastern and North-Eastern parts of India and the neighboring countries, the Tata Medical Center (TMC) started operations in Kolkata on May 16, 2011. The hospital is governed by a charitable trust – Tata Medical Centre Trust. It is an integrated Oncology facility with well-trained professional staff and equipped with modern facilities and the most contemporary medical equipment. The hospital was designed by Cannon Design, a renowned architectural firm from North America. It is located on 13 acres of land at New Town in Kolkata, West Bengal.

The hospital is an integrated Oncology facility with well-trained professional staff and equipped with modern facilities and contemporary medical equipment. The Hospital, with a capacity of 437 beds, serves all sections of the society, with 75% of the infrastructure earmarked for subsidized treatment for the underprivileged sections. It provides a wide spectrum of services from diagnosis and therapy to rehabilitation and palliative support. The Institution's objective is to excel in service, education and research.

To fulfil the above objectives TMC invites applications for the position of Medical Officer – Medical Oncology.

Qualification: MBBS

Experience: Minimum 1 year experience post MBBS. Freshers may also apply.

Brief Job Description and Expectations:

1. To look after in-patients and out patients who are under the treatment of Medical Oncology.
2. To attend to emergency patients under Medical Oncology who present to Emergency during day time.
3. To do clinical rounds daily in the in-patient along with consultants of the Medical Oncology team.
4. To understand the care needs of patients who are being discharged home and help set-up out-patient treatment plan post discharge.
5. To communicate effectively with patients and family members.
6. To work and interface with multidisciplinary teams and from various other specialties as Surgical Oncology, Paediatric Oncology, Radiation Oncology, Palliative Medicine and other specialties.
7. For applicants who prefer day time duties only there will be no on-call commitments at present.

The remuneration will be commensurate with years of experience.
