

# Dr. Bhagat Singh Lali

MBBS, MD (Pathology), PDCC (Oncopathology)

**Phone** – +91 8126871715; **E-mail** – dr.bhagatsinghlali@gmail.com

**Permanent Address** – H.No. 368, Vill. Kajheri, Sector 52, Chandigarh INDIA Pin – 160036

## Personal details

---

- **Date and Place of birth:** April 8<sup>th</sup>, 1990; Chandigarh (India)
- **Gender and marital status:** Male; Married
- **Spouse :** Dr. Navjot Kaur, DNB (Ophthalmology), Fellowship in Cornea
- **Languages spoken and written :** English, Punjabi, Hindi

## Work experience

---

- **May 2022 – present :** Junior Consultant, Department of Oncopathology at Tata Medical Center, Kolkata
- **August 2020 – April 2022 :** Fellow in the Department of Oncopathology at Tata Medical Center, Kolkata
- **July 2019 – July 2020:** Senior Resident in the Department of Pathology at Homi Bhabha Cancer Hospital, Tata Memorial Centre, Varanasi

## Education

---

- **August 2020 – July 2021 :** Post Doctoral Certificate Course (PDCC) in Oncosurgical Pathology (Histopathology and Cytopathology) at Tata Medical Center, Kolkata under Indian College of Pathologists (ICP), scored 83.6%
- **May 2016 – May 2019:** Doctor of Medicine (MD) in Pathology at Kasturba Medical College, Mangalore under Manipal Academy of Higher Education (MAHE), Manipal, scored 71.4%
- **2008 – 2014:** Bachelor in Medicine and Bachelor in Surgery (MBBS), scored 68.9% at VCSG Govt. Medical Science and Research Institute, Srinagar, Uttarakhand under Uttarakhand Technical University, Dehradun
  - Overall highest marks in the university (68.9%)
  - Distinction in Paediatrics, Physiology and Biochemistry
- **March 2008:** Senior Secondary School (CBSE), scored 90.8% at SGGS Collegiate Public School, Sector – 26, Chandigarh
- **March 2006:** Secondary School (CBSE), scored 92% at Shivalik Public School, Sector 41-B, Chandigarh

## Awards

---

- **September 2018:** Awarded international travel grant by ICMR for slide seminar and poster presentation at 30<sup>th</sup> European Congress of Pathology, Bilbao, Spain
- **June 2018:** Placed third in poster presentation at Soft tissue sarcoma conference (STSCON) held at Christian Medical College (CMC), Vellore
- **February 2017:** Best case presentation award for case discussion entitled 'Histopathology: Guide to the clinical armamentarium' at Interactive Pathology CME, KMC, Mangalore
- **August 2016:** Award for 1<sup>st</sup> position in MBBS University examinations (I, II and III professional)
- **June 2013:** Awarded international travel grant by ICMR for presenting oral paper at ISCOMS, Groningen, Netherlands.
- **March 2013:** Short Term Studentship 2012 for successfully completing the STS project by ICMR, New Delhi
- **September 2012:** BMJ Case Reports fellowship for being the chief organizer for World Heart Day workshop & public health events
- **March 2012:** Short Term Studentship 2011 for successfully completing the STS project by ICMR, New Delhi

## Honours

---

- **November 2019:** Delivered a talk on 'Tissue embedding and sectioning' at CME on basic histopathology techniques held at HBCH, Varanasi
- **September 2018:** Invited as speaker for slide seminar on infectious diseases titled 'Bone marrow examination exposing the sheep in wolf's clothing' at 30<sup>th</sup> European Congress of Pathology, Bilbao, Spain
- **February 2014 – present:** Reviewer for 'Lung India' journal
- **2012 –2013:** Elsevier Health Sciences (India) student ambassador for 2012
- **September 2012:** Programme Director for three days state level workshop on Cardiovascular disorders and their management and two-day public health events on World Heart Day 2012

## Research experience

---

- **November 2020 – present :** On-going research project entitled 'Correlation of Tumour Infiltrating Lymphocytes (TILs) in oral cavity squamous cell carcinomas with survival, recurrence, distant and nodal metastasis'
- **January 2020 – July 2020:** Completed research project entitled 'Expression of Her2/Neu and Ki-67 proliferation index in gall bladder carcinomas: clinicopathologic and prognostic significance', Co-investigator

- **September 2019 – May 2020:** Completed research project entitled ‘An analysis of pediatric round cell tumors highlighting the spectrum of differential diagnosis’, Co-principal investigator
- **August 2016 – September 2018:** Completed research project entitled ‘Expression of murine double minute-2 (MDM-2) and S-100 as diagnostic Immunohistochemical markers for liposarcomas and correlation with Ki-67 proliferation index’, Principal investigator
- **June – October 2017:** Completed research project entitled ‘Quest for accuracy: utility of the Paris system for reporting urinary cytology in diagnosing urothelial carcinomas’, Principal Investigator
- **January – March 2017:** Completed research project entitled ‘Clinico pathological characteristics of Ewing family of tumors. A ten-year single institutional experience’, Principal investigator
- **August – November 2016:** Completed the research project titled ‘Clinicopathological predictors of recurrence, metastasis and overall survival in Adenoid Cystic Carcinoma: A five-year single institutional study’, Principal investigator

## Presentations

---

- **December 2019:** Research paper presented as poster titled ‘An analysis of pediatric round cell tumors highlighting the spectrum of differential diagnosis’ at APCON 2019, Chandigarh
- **September 2018:** Case series ‘Bone marrow examination exposing the sheep in wolf’s clothing’ presented in Infectious diseases symposium at 30<sup>th</sup> European Congress of Pathology at Bilbao, Spain
- **September 2018:** Research paper presented as poster titled ‘Clinicopathological and immunohistochemical characterisation of liposarcomas – Five years’ experience at tertiary care centre’ at 30<sup>th</sup> European Congress of Pathology at Bilbao, Spain
- **June 2018:** Research paper presented as poster titled ‘Analysis of dedifferentiated liposarcomas emphasizing the diagnostic dilemmas’ at STSCON 2018, CMC Vellore
- **December 2017:** Presented a case titled ‘Disseminated cryptococcosis and cryptococcuria’ in Clinical Society Meet at Kasturba Medical College Hospital, Attavar, Mangalore
- **November 2017:** Research paper presented as oral presentation titled ‘Quest for accuracy: utility of the Paris system for reporting urinary cytology in diagnosing urothelial carcinomas’ at CYTOCON 2017, Shillong
- **October 2017:** Research paper presented as poster titled ‘Neuroendocrine tumours of the female genital tract’ in International CME on Gynecological Pathology at PGIMER, Chandigarh
- **May 2017:** Research paper presented as poster titled ‘Clinico pathological characteristics of Ewing family of tumors. A ten-year single institutional experience’ in ‘Pathology Update CME’ held at KMC, Manipal
- **December 2016:** Research paper presented as poster titled ‘Clinicopathological predictors of recurrence, metastasis and overall survival in Adenoid Cystic Carcinoma: A five-year single institutional study’ in APCON 2016, Jaipur
- **October 2016:** Presented a case titled ‘Kikuchi lymphadenopathy’ in Clinical Society Meet at Kasturba Medical College Hospital, Attavar, Mangalore
- **June 2013:** Research paper presented as oral presentation titled ‘Umbilical cord bilirubin level as a predictor of postnatal hyperbilirubinemia’ in ISCOMS, Groningen, Netherlands

## Workshops/CMEs attended

---

- **December 2019:** Attended workshop on 'Fluorescent in situ hybridization' at PGIMER, Chandigarh
- **August 2019:** Attended two days microscopy workshop on 'Uropathology and Gynaecologic pathology' held at Tata Memorial Centre, Kolkata
- **August 2019 :** Attended 'Updates in pediatric solid malignancies' held at TMC, Varanasi
- **October 2018:** Attended CME 'Salivary gland Update' organized by FMMC at Mangalore
- **June 2018:** Attended CME 'HaemOnc Update' Organized by KMC at Mangalore
- **December 2017:** Attended CME 'Respipath' organized by KMC at Mangalore
- **August 2017:** Attended workshop on 'Cut for diagnosis' organized by MMMC at Manipal
- **May 2017:** Attended CME 'Pathology Update' organized by KMC at Manipal
- **March 2017:** Attended CME 'Nephropathology' organized by KMC at Manipal
- **December 2016:** Attended CME on 'Recent trends in fluid cytology' organized by IAPM at Jaipur

## Membership

---

- **July 2016 – present:** Ordinary life member of Indian Association of Pathologists and Microbiologists (IAPM), membership number OL-4542.

## Interests and Skills

---

- Histopathology
  - Oncosurgical Pathology : Soft tissue and Bone Pathology, Gynecologic Pathology, Genito-urinary Pathology, Gastrointestinal and Hepatobiliary Pathology, Paediatric Pathology, Lymphoreticular Pathology.
- Cytopathology
  - Fine Needle Aspiration Cytology (FNAC) – procedure and reporting, Exfoliative Cytology, Liquid Based Cytology
- Immunohistochemical (IHC) application
- Gross Surgical Pathology of all the organ systems
- Diagnostic and Translational Oncopathology research
- Team work capacity, Inter-personal communication skills, Presentation skills

## Hobbies

---

- Travel and exploring new cultures
- Cooking
- Dancing (Punjabi folk) and attending concerts
