

CURRICULUM VITAE.

Name : KAPILA MANIKANTAN
Sex : MALE
Date of Birth : 29-03-1979
Marital Status : MARRIED
Designation : CONSULTANT
Work Contact Details: (leave this blank for now)

Educational Qualifications.

1. Undergraduate MBBS (Rajiv Gandhi University of Health Sciences, 2001)
2. Post Graduate MS – Otorhinolaryngology (Mumbai University 2008)
3. Speciality Head & Neck Surgery

Details of Training and Experience (one small para each please)

1. Undergraduate – completed MBBS from Mysore Medical College, Mysore in 2001. Completed internship at MYSORE MEDICAL COLLEGE HOSPITALS, India (a 1300 bedded tertiary care teaching hospital) I have worked in a 1:6 on call rota in various specialties and I was actively involved in undergraduate teaching, clinical meetings, CMEs

2. Post Graduate - During the three years of my post graduate training at Sir J.J. Group of Hospitals (a 1300 bedded tertiary care teaching hospital), I developed and consolidated skills in ear, nose, throat and head and neck surgeries over three years. My duties included assisting the consultant in surgeries, management of postoperative cases, research activities and regular teaching sessions for both undergraduate and postgraduate students.

3. Specialty Training - During my one year as a research fellow in head and neck oncosurgery at Sir J.J. Group of Hospitals, I was actively involved in the care of all head and neck cancer patients presenting to the OPD and under inpatient care. I was involved in patient management and maintenance of a patient database. I observed, assisted and performed surgeries related to head and neck oncology. I was involved in a research project as a part of my fellowship and was also actively involved in research projects in head and neck oncology being conducted at the department.

Subsequently I Joined Tata Medical Center as a fellow in head and neck oncosurgery. During this tenure I was actively involved in the care of all head and neck cancer patients presenting to the OPD and under inpatient care. I was involved in patient management and maintenance of a patient database. I observed, assisted and performed surgeries related to head and neck oncology. I developed finer skills in both head and neck reconstructive surgeries.
