

# CHALLENGES IN LYMPHOMA DIAGNOSIS

*International Conference for Practicing Pathologists*

---

Dear colleagues,

Continuing the tradition of organizing site-specific specialty conferences, the Department of Pathology, Tata Medical Center, Kolkata welcomes pathologists to attend this conference on **Challenges in Lymphoma Diagnosis**.

Invited is a galaxy of international and national experts who are authors of landmark papers and well-known textbooks in Lymphoma Pathology. They will deliberate on issues ranging from diagnostic pitfalls to newer entities to updates in lymphoma pathology.

This also presents a unique opportunity to network with peers and leaders in the field and for practicing pathologists to identify training opportunities.

We are dedicating this conference to the memory of the 'queen' of lymphoma pathology – **Dr. Anita Borges**.

## OUR DISTINGUISHED INTERNATIONAL FACULTY

---

**Dr. Eric Hsi**

Chair, Department of Laboratory Medicine and Pathology, Mayo Clinic, Minnesota, USA

**Dr. Ayoma Attygalle**

Consultant Hematopathologist, The Royal Marsden, UK

**Dr. Geetha Menon**

Clinical Director, Hemato-oncology Diagnostic Services, University Hospitals, Liverpool, UK

**Dr. Pallavi Galera**

Hematopathologist, Memorial Sloan Kettering Cancer Center, USA

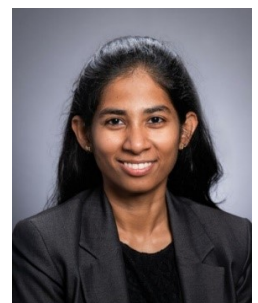

**Dr. Debdeep Dey**

Consultant Histopathologist, James Cook University Hospitals, UK

**Dr. John Goodlad**

Consultant Hematopathologist, Queen Elizabeth University Hospital, UK  
(Online presentation)

**Dr. Aishwarya Ravindran**

Assistant Professor, University of Alabama, USA (Online presentation)

---

## OUR DISTINGUISHED NATIONAL FACULTY

---

**Dr. Sumeet Gujral**

Prof & Hon Consultant, ACTREC and Senior Consultant, Center for Oncopathology, Mumbai

**Dr. Tanuja Shet**

Prof & HOD, Tata Memorial Hospital, Mumbai

## PROGRAM HIGHLIGHTS

### ***Challenges in Lymphoma Diagnosis It's not just another lymphoma meeting!***

**Three Days. Real Diagnostic Challenges. Global Expertise.**

► **Mastering B-cell Lymphomas**

From follicular lymphoma and low-grade B-cell lymphomas to high-grade B-cell lymphomas and double-hit disease.

► **Decoding T-cell Lymphomas**

A focused exploration of TFH lymphomas, cutaneous and extranodal T-cell lymphomas, cytogenetics and molecular pathology.

► **The Diagnostic Grey Zones**

Tackling challenging differentials and difficult cases through interactive case discussions and expert slide seminars.

► **Beyond Morphology: Molecular & Integrated Diagnostics**

Understanding the role of immunophenotyping, cytogenetics, molecular pathology and clinical–imaging–pathology correlation in modern lymphoma diagnosis.

► **Comprehensive coverage of Hodgkin & EBV-associated Lymphoid Disorders**

Practical approaches to classical Hodgkin lymphoma, NLPHL and EBV-associated lymphoid proliferations.

► **The Emerging Lymphoid Landscape**

Exploring histiocytic/dendritic cell neoplasms and other less common hematolymphoid neoplasms.

► **Lymphoma Diagnosis Meets Artificial Intelligence**

Exploring the emerging role of AI in pathology and lymphoma diagnosis.

## REGISTRATION DETAILS

| Category                                | Registration Fee (including tax) |
|-----------------------------------------|----------------------------------|
| Early Bird Registration till 31 October | ₹9,500                           |
| Registration after 31 October           | ₹11,500                          |

| Category                | Registration Fee (including tax) |
|-------------------------|----------------------------------|
| International Delegates | USD 120                          |

### **Hurry! Seats are limited**

*Registration is subject to auditorium capacity.*

Abstract submission for case presentation and e-posters ends on 31<sup>st</sup> October

For pathologist interested in presenting rare or challenging cases: Please contact: Dr Indu Arun; Email: [indu.arun@tmckolkata.com](mailto:indu.arun@tmckolkata.com)

Case presentation slots are limited and inclusion will be subject to approval by selection committee. We also have a special case presentation session for senior faculty titled – ‘How I solved this challenge’

Link for details of e-poster presentation.

Please contact: Dr. Bhagat Singh Lali; Email: [histopathology.tmckolkata@gmail.com](mailto:histopathology.tmckolkata@gmail.com)

## **ORGANISING COMMITTEE**

|                                         |                                                                                                                                                |
