Challenges in Lymphoma Diagnosis

International conference for practicing pathologists

Tata Medical Center, Kolkata

Dates : 23 to 25 January 2027

Dear Colleagues ,

Continuing our tradition of organizing site-specific specialty conferences, the Department of Pathology at Tata Medical Center, Kolkata warmly invites you to attend this premier conference on **Challenges in Lymphoma Diagnosis**.

We have convened a galaxy of international and national experts—authors of landmark papers and world-renowned textbooks—to deliberate on diagnostic pitfalls, emerging entities, and updates in lymphoma pathology. Join us for a unique opportunity to network with peers, engage with field leaders, and explore advanced training pathways.

For the Registration, **Click Here**

DISTINGUISHED INTERNATIONAL FACULTY

Dr. Eric Hsi

Chair, Department of Laboratory Medicine and Pathology

Mayo Clinic, Minnesota, USA

Dr. Ayoma Attygalle

Consultant Hematopathologist

The Royal Marsden, UK

Dr. Geetha Menon

Clinical Director, Hemato-oncology Diagnostic Services

University Hospitals, Liverpool, UK

Dr. Pallavi Galera

Hematopathologist

Memorial Sloan Kettering Cancer Center, USA

Dr. Debdeep Dey

Consultant Histopathologist

James Cook University Hospitals, UK

Dr. John Goodlad

Consultant Hematopathologist

Queen Elizabeth University Hospital, UK (Online)

Dr. Aishwarya Ravindran

Assistant Professor

University of Alabama, USA (Online)

DISTINGUISHED NATIONAL FACULTY

Dr. Sumeet Gujral

Prof & Hon Consultant, ACTREC; Senior Consultant

Center for Oncopathology, Mumbai

Dr. Tanuja Shet

Prof & HOD, Department of Pathology

Tata Memorial Hospital, Mumbai

Additional faculty will be notified

PROGRAM HIGHLIGHTS

It's not just another lymphoma meeting. It's a one stop solution to all your lymphoma queries!

Mastering B-Cell Lymphomas

From follicular and low-grade B-cell lymphomas to high-grade B-cell lymphomas and double-hit disease.

Decoding T-Cell Lymphomas

Focused exploration of TFH lymphomas, cutaneous and extranodal T-cell lymphomas, cytogenetics, and molecular pathology.

The Diagnostic Grey Zones

Tackling challenging differentials and difficult borderline cases through interactive case discussions and slide seminars.

Beyond Morphology: Integrated Diagnostics

Understanding immunophenotyping, molecular pathology, and clinical–imaging–pathology correlation in modern diagnosis.

Hodgkin & EBV-Associated Disorders

Practical diagnostic approaches to classical Hodgkin lymphoma, NLPHL, and complex EBV-associated lymphoid proliferations.

Emerging Landscape & AI Integration

Exploring histiocytic/dendritic cell neoplasms, rare hematolymphoid entities, and the transformative role of Artificial Intelligence in pathology.

REGISTRATION & ABSTRACT SUBMISSION

Registration Details

Early Bird (extended till 30 Nov)	**₹9,500**
Regular (after 30 Nov)	**₹12,500**
International Delegates	**USD 120**

** Fees include applicable taxes. Seats are limited and subject to auditorium capacity.*

Abstract & Case Submissions Deadline: 30 Nov

Rare / Challenging Cases: Contact **Dr. Indu Arun** (indu.arun@tmckolkata.com)

E-Posters: Contact **Dr. Bhagat Singh Lali** (histopathology.tmckolkata@gmail.com)

*We have a special case presentation session for senior faculty titled: "**How I Solved This Challenge**"*

For E-Poster Abstract Submission Guidelines, **Click Here**
