Listening, Speaking, and Being Present: The Art of Communication in Palliative Medicine

22nd November 2025

12 Noon to 17:00 PM

Course Facilitators:

Any health professionals (doctors, nurses, psychologists and students can attend) can register for the conference. Doctors will be awarded CME points if approved by West Bengal Medical Council.

What will you learn?

- In the 4 hours workshop participants will learn about the sensitive nature of conversation with patients with serious life limiting conditions.
- The role plays will cover various scenarios as breaking bad news, transition of curative to palliative treatment and end of life situations.
- The teaching methods that will be adopted are interactive discussions, role plays, watching videos.

Certificate:

The participants will get a certificate of attendance. Doctors will be awarded CME points if approved by West Bengal Medical Council.
